

Please do not give precedence to LPFM over FM Translator Service.

- 1) K-LOVE provides family-friendly, Contemporary Christian music to me and my children. The local Christian Music station out of Winston-Salem does not reach all the areas of my community; K-LOVE does.
- 2) If K-LOVE is displaced by an LPFM providing other programming, our community will be left with the garbage it tends to be. Already there are broadcasters being fined by the FCC for indecent content. With K-LOVE, there is no need to worry about that; and my kids can be left to listen without fear they are hearing violence, racism, or sexism being promoted.
- 3) K-LOVE's provides a service that is of great interest to the public: family-friendly music, conversation, and news. It is positive, encouraging, and UNITING. It is wonderful to hear the callers and comments from all over the country.

Thank you for the opportunity to provide feedback. I do hope K-LOVE is able to stay a part of my community and not replaced by another LPFM station.

Sincerely,

Mark C. Burhans
